

Berta's First Wine Stroll
Sunday August 26, 2007 @ 4pm

Berta's Chateau presents an exciting and unique opportunity to sample and taste nearly 25 fine wines from all over the world in a relaxed and educational format set up just like real wine professionals participate in. There will be three tables, each set with 8 or 9 wines to be tasted and manned by a wine expert to explain what the wines are and how they are made.

One table will be devoted to wines from Italy, a second with wines from "The Old World" (meaning Spain, France and Austria). The third will be set with wines from "The New World" (meaning of course the USA, Australia and New Zealand).

All the wines will be available to purchase at steeply discounted prices. This is a terrific opportunity to buy wine for your own home not just by looking at labels (as you do in most stores) but by actually tasting them. And at amazingly sharp prices!

In addition, a full buffet dinner will be served so that you may dine in classic Berta's style while you taste. We'll have an antipasto, three choices of pasta and at least three main courses. Of course we'll finish with some fresh fruit and coffee.

Come join us for this first of a kind event. It will be exciting, it will be educational and it will be fun!

Special early pricing of \$39 per person. We must receive your check by Saturday the 18th of August.

After that date, regular price of \$49 per person is in effect.
